CFA® Factsheet

## Realise your ambition with BPP Professional Education

BPP can draw on over 35 years of experience to focus on your future employability and career progression by providing the knowledge, skills and practical application that will enable you to pass your professional qualifications. Our tutors are a dynamic mix of business practitioners and academics who train students from 75 of the top 100 international companies and also over 30,000 accountants and investment professionals each year.

### BPP and CFA® - A winning combination

To be successful in your CFA® exams, simply learning the syllabus knowledge isn't enough, you need to know how to apply this knowledge in the exam in order to pass.

Through our exam-focused approach we'll ensure you go into the exam feeling confident and fully prepared. With **95%** of students agreeing they would recommend BPP to a friend or colleague, it's no wonder so many people choose us.

#### Reasons to choose BPP:

- A proven approach to exam success based on our 3 steps of 'learn - practice - rehearse'
- Dedicated tutors with subject expertise and industry experience
- Exam-focused online learning resources and support via BPP's virtual learning environment
- Flexible study options allow you to study how you want - Online Classroom and Online Classroom Live
- Full study programme, guidance and support right up to the exams

### CFA® Programme structure

The CFA® qualification consists of 3 levels. No exemptions are available from any level, and no level can be entered until you have successfully passed the previous level.

#### Level I:

Covers the foundations of finance with an emphasis on the analytical tools. You will learn about the main asset classes, along with economics, financial reporting and portfolio theory. Crucially, you will also learn about the ethics that should drive decision making. The exam consists of two 3-hour papers, each consisting of 120 multiple choice questions from across the syllabus.

#### Level II:

Takes the concepts of Level I deeper, with more analysis in all areas. The exam consists of two 3-hour papers, each consisting of 60 multiple choice questions from across the syllabus.

#### Level III:

Has a strong focus on wealth planning and portfolio management. You will also learn about risk management and continue your studies of the asset classes. The exam consists of a 3 hour written paper and a 3 hour multiple choice paper.

## Flexibility, support and success

Choose to study via our Online Classroom or Online Classroom Live, enabling you to study in the way that's most convenient and effective for you. You'll also be provided with on-going support and guidance.

### Online Classroom - from only £350 per paper\*

Online Classroom is ideal if you want the flexibility of studying whenever and wherever you want combined with the support of a dedicated tutor. Study at your own pace, with access to the library of online content which includes a comprehensive suite of online lectures and the ability to interact with your tutor and fellow students through our online forums.

#### Key benefits:

**Flexibility** - Pre-recorded lectures enable you to log in anytime, anywhere and access your study materials. You can also pause, rewind and fast forward lectures, allowing you to study at your own pace.

**Support** - You are assigned a BPP tutor - a subject specialist who is there to guide and assist you in your learning. Regular, proactive emails also ensure you stay motivated, your learning remains efficient, and that you maximise anytime spent out of the office.

**Resources** - BPP provides you with a library of online study materials from BPP Learning Media, a market-leading publisher of targeted study materials for professional exams and business reference.

**Experience** - With over 35 years' experience in the training market, we have harnessed all the knowledge and best practices of our classroom courses to design and develop a market-leading Online Classroom.

**Student Networking** - As all students globally study in a cohort, per paper, you can network through our online forum with other BPP students around the world - your virtual 'class'.

### Online Classroom Live - from only £450 per paper\*

Our award-winning Online Classroom Live is ideal if you like the discipline and motivation of a structured and timetabled course and can commit to scheduled sessions.

#### Key benefits:

**Structured progress** - Attend live tutor-led sessions at set dates and times, giving you the structure that a classroom course would provide. This ensures you make structured progress through your studies.

**Experienced BPP tutors** - Each live session is delivered by a BPP tutor. The tutor leads the live session and delivers the technical material, and manages the interaction with students - ensuring that all students receive responses to their questions promptly.

**Catch up** - All live sessions are recorded, so that if you miss a session you can catch up at a later date that suits you.

**On-going support** - You will also benefit from proactive tutor contact via regular emails, and forum posts aimed at stimulating discussion to help you prepare for their exam.
